INVITATION

PBL Digital@TECH invites all teaching staff at the Technical Fadulty of IT and Design to workshop on:

Digital quizzes in Moodle

- Why should I move towards quizz?
- How to use the tool?
- How to prepare relevant questions and quizzes?
- How to use the quizzes as a final evaluation?
- What about security during an exam and the integration with Digital Eksamen?

Associate Professor Kjeld Nielsen has several years experience in the use of digital quizzes in Moodle as the final evaluation of his courses and he will facilitate a workshop with sharing of knowledge and hands-on experimentation in Moodle.

The workshop consists of two successive parts:

- **Friday April 26, 8:30 - 12:00**
  Room 0.2.12, Selma Lagerløfs Vej 300

- **Tuesday May 14, 8:30 - 12:00**
  Room 0.2.12, Selma Lagerløfs Vej 300

We are looking forward to two inspirational sessions, that aims on providing you with knowledge and tools, which are directly applicable in practice.
