Improving the Digital Competences and Social Inclusion of Adults in Creative Industries

The project aims to create a sustainable and efficient education program dedicated to adult learners with low digital skills and low-qualified adults involved in the creative industries sector from Romania, Italy, Austria, Denmark, Lithuania, UK and Ireland.

### Objectives:

- To enhance awareness of the need for training in digital skills for the creative industries and to design Guidelines for Digital Competences for Creative Industries.
- To create an online and mobile Virtual Learning Hub for the 'Digital Skills and Social Inclusion for Creative Industries and Culture Course' as a blended learning and online course (MOOC).
- To improve the achievement and recognition of digital skills through formal and informal learning by introducing Digital Skills e-assessment and Open Badges for adult education in Creative Industries.

### Partners:
